## **DEAR FRIENDS**

First of all, Happy New Year to everyone. Advent and Christmas seem but distant memories now, yet it is good to reflect how good God was to us over that period. Increased numbers to our services and people saying they felt the presence of God with us; it was great to meet in Holy Trinity for the Carol Service and in All Saints for the Advent Meditation service with Canon Rod Garner. Not forgetting the visit from Norwood Road School for the Christmas event, and the Carols by Candlelight year end service.

Now we start the New Year, expectant with God, to see what He will do in our parish? Mission is the key, whether that is distributing leaflets, helping at events, such as CAMEO or at the bereavement group, or maybe just speaking a word of encouragement to someone and offering a prayer. God will use everything we offer of ourselves, nothing is ever wasted in his service.

I am aware that everything seems to be coming up early in the garden, and that reminds us that we need to be ready for the opportunities that come our way day by day; that chance meeting, conversations that crop up without warning. Remember our verse of the year, "It is the Lord who goes before us". If we look to Him day by day, we will be ready for the wonderful things He has in store for us.

Local Missional Leader
