DEAR FRIENDS

March this year is the month we start our period of Lent in the church's year. Lent to a lot of people means self-denial, giving up lots of favourite foods or pastimes. But it's also a time of self examination, and maybe repentance

The Bulletin frontispiece gives us a good guide to make our Lenten journey of 40 days positive, purposeful, and productive. Let's look at the three aspects:

Prayer - Lent gives us the opportunity to spend that little extra time in prayer as a discipline (we can continue after Lent). We can pray for people on our minds who need the touch of Jesus and for the church to grow. Ask God to show you what to pray for.

Fasting may seem a bit extreme to many, but the times of denying or going without really sharpen the mind and focuses our walk and relationship with God.

Works of love really should be part of our normal Christian life and service. But Lent challenges us to go that extra mile, in helping and serving others. In Church, we have notices of how we can help and support the local food bank. Maybe we could, as a church this Lent, take the challenge to give 40pence each day for 40 days?

Local Missional Leader
