## **DEAR FRIENDS**

Last month, we experienced many events, from the longest day of the year to the commemorations of a grateful nation for the sacrifices made by so many on D Day.

On a quieter note in the church, we celebrated Pentecost Sunday, the day when the Holy Spirit was given to the church to empower Christians in their faith to tell others of the gospel. Also on Pentecost Sunday, we distributed to everyone a "Can you Help" sheet identifying various tasks in the church. We have so many unsung heroes in the church who quietly just get on and do so many things for God, both in the church and outside in care homes and I want to say a big thank you to everyone who works so tirelessly for God to make All Saints the outpost for God in our community.

There are opportunities for further mission and support to both our church family, and the community we serve. Have you thought what you might be able to help with? It doesn't matter how small the task - sharing the load is what matters. Jesus call us all to serve our brothers and sisters in Christ, Why not have a chat with our church wardens and see how you can help.

Blessings

Alan Buckley, Local Missional Leader
