### **DEAR FRIENDS**

What a fantastic start we have enjoyed in our services since we opened on Passion Sunday. And then Easter, where it can only be said that the services were inspired by the Holy Spirit. A big thank you to our guest celebrants who made our services so special.

It was great to see so many of the congregation back worshipping together in church and being able to speak face to face.

The atmosphere was made fragrant with the marvellous display of flowers and again, a special thanks to the ladies who spent many hours working on the displays.

It is also a joy to welcome new friends to our fellowship, and we do look forward to the day when we can all meet up after the service to enjoy refreshments and chat again.

However, the message of Easter is to "go and tell" - something we should never lose sight of. We need to plan ahead in mission as to how we can draw others into the Gospel, which events we can plan for when restrictions hopefully will be eased in July, and ask ourselves 'what part can I play in the church's mission?'
