DEAR FRIENDS

After what seems a long year's wait we look with joy for a belated 40th anniversary celebration with Bishop Cyril Ashton on 31st October at 11 00am.

It will be a time, maybe, to catch up with old friends who have moved on to pastures new and have returned for the special service. Perhaps a time to reflect what God has done these past 40 years in the parish of All Saints.

Perhaps to think about what our being in All Saints as a member of God's church has done for us and maybe what we have been able to do for others, both inside and outside of the church.

We can give thanks to God of what part God has asked us to play in the life of the parish, serving others and being there for one another, and the ministry that we have received and supported, and maybe been a part of.

But, while we look back and thank God for what has been accomplished these past years, we need to face the challenges of the future. Covid-19 has affected us all, and we need to recuperate with mission outreach as we approach 2022. Perhaps we can spend the last few months of this year, asking God "what do you want me to do in the service of the Gospel" in All Saints.
