DEAR FRIENDS

I am sure that each one of us has been touched by the recent Jubilee of our Queen Elizabeth in some way or another. It was a once in a lifetime occasion to celebrate a monarch's extraordinary reign of seventy years.

Our verse for the summer is "Be still and know that I am God". Summer is usually a time when activities and events in church take a back seat, and we can enjoy a time of rest and relaxation. But quite often, we find ourselves so embroiled in different activities that we find it hard to relax.

But taking time to draw aside from the regular business we have been engaged in is essential for health and wellbeing. Having that holiday or short break is so important after the two years' restrictions brought about by the pandemic.

God wants us to draw aside, to take time out, so that He can draw near to us, and we to him. That is why our verse is so relevant this summertime as we take time out. We need to focus on God and what he wants to say to us, cast off the desire to be busy, but let go and spend time alone in prayer with God. Any time spent listening and praying with God this summer will be a blessing both to ourselves and also to others, as we prepare to go into the autumn, and the restarting of activities. So let us use the time profitably this summer by making time for God

May God bless you all.

FOR OUR PRAYERS

- Remember all medical workers and scientists as they continue working to end the pandemic of Coronavirus. Give thanks for the success of the vaccination programme.
- Those recovering from recent sickness or undergoing long-term treatment.
- Those who are housebound and their carers, and those being cared for in residential homes.
- For recently bereaved families and friends as they face a future without their loved ones.
- Alan and the leadership team as they seek God's plan for the way forward for the Church, and seek to support the congregation at present and develop opportunities for mission; and for other church members to take up active responsibilities.
- Our Prime Minister, his Cabinet, for wisdom and guidance as they seek the solution for the situation in Ukraine.
- For our CMS Mission Partners, Marc, Helen & family, in North Africa, .
- For our previous partners Chris & Suzy Wilson and family who are back in Addis Ababa, Ethiopia; for their safety as they re-settle after many months and for the turmoil and political strife in that country.
