EDITORIAL

Dear Friends,

First of all, an apology for this bulletin not being available at the start of the month due to holidays.....so welcome to AUTUMN with its refreshing rain helping our "green and pleasant land" to return, after that incredibly long and oft times unbearably hot summer.

The changing seasonal patterns have caused us to pause for thought about our world and its precious resources - in particular as our farmers are counting the cost in this time of harvest and the likelihood of rising prices for fresh fruit and vegetables which will cause a degree of hardship for many families. Our **FOODBANK** donations are even more needed, and, hopefully, we will donate accordingly at Harvest Festival on September 27th.

Please note all the preparations for All Saints' special 150th year celebrations during the weekend of October 31st & November 1st on All Saints Day. This is a wonderful opportunity for each of us to reflect on how God has been alongside us through many changes, and yet more years ahead when He alone knows what plans He has for us..... "Plans to prosper you and not to harm you, plans to give you hope and a future" [Jeremiah 29:11] Let us be the welcoming church family we are known to be, and offer friendship, warmth and love as Jesus would have given to the stranger and to all who come through our doors.

May we know the blessings of our Father God, His Son, Jesus our saviour, and the power of his Holy Spirit who transforms lives.

Do think and pray for those YOU might bring to our social events and church services, especially to our 150th Anniversary Thanksgiving & Communion.

Celebrant :Canon Roger -- Preacher :Canon Rod

Pray for King Charles, Queen Camilla and all members of the royal family - may God's wisdom, strength & good health be theirs.

Pray for our new Prime Minister and government as they seek solutions for peace in the Ukraine and other places, and how to deal with the cost of living crisis.

Pray for our CMS Mission Partners, Marc, Helen & young family in North Africa, also for the Wilson family in Ethiopia.

Pray for political peace around them. Remember, too, the work of Kanzi Kibera Friends in Nairobi's slum schools and community.

Remember those amongst our families and friends recovering from recent sickness or undergoing surgery or long-term treatment..

Remember the schools' & colleges' new term; pray for all teachers and staff; pray for children attending for the first time, also students making their new life-styles with living and studying away from home.

Pray for those who are housebound and their carers, and those being cared for in residential homes. Reach out in kindness to neighbours and those living on their own.

Pray for recently bereaved families and friends as they face a future without their loved ones, also those remembering anniversaries.

Lift to the Lord our church leadership as they seek God's plans to support the congregation at present and develop opportunities for mission; and for more church members to take up active responsibilities.

Pray for the upcoming Anniversary that people from the community and neighbourhood will visit us and find peace in God's house.
